Re: Pubco Apache wells #1, #2, & #3  
Located Sec. 16-23N-2W

Dear Mr. Jones

In accordance with the telephone conversation with Mr. Arnold July 15, 1965, we are changing the lease designation on the three wells located on the Pubco Apache lease. We are correcting C-104 for the #2 well from Pubco Apache 161 #2 to Pubco Apache #2. The #3 well on this lease will not be changed as it has previously been referred to on all reports as Pubco Apache #3. Form C-104 was previously approved on the #1 well and was shown on approved C-104 as the Pubco Apache 161-D #1. Therefore we are correcting it to the Pubco Apache #1. Therefore the correct listing for all three wells for all future reports should be as follows:

Pubco Apache #1, located Unit D, Sec. 16-23N-2W  
Pubco Apache #2, located Unit G, Sec. 16-23N-2W  
Pubco Apache #3, located Unit J, Sec. 16-23N-2W.

If you have any further questions regarding this matter, please let us know.

Very truly yours,

A. R. Kendrick  
Engineer, District #3
