Beverly Hills, California

16-23-2

Dear Sir:

We have been advised that your Pubco Jicarilla 161 #1-D well, located Section 16-23-2, has a lease subject to expiration on December 5, 1964. In order for us to produce this well, it will be necessary for us to have an approved Form C-110, Certificate of Compliance and Authorization to Transport Oil and Natural Gas.

Since we do not yet have such a certificate, would you please make certain that all necessary forms are filed with the New Mexico Oil Conservation Commission in Aztec at the earliest possible time.

Very truly yours,

EL PASO NATURAL GAS COMPANY
