Attention: Mr. Morris B. Jones

Administrative Order SA-16

Gentlemen:

Reference is made to your application for special authority to produce up to 500 MCF of gas per month from your Pubco Well No. 1, located in South Blanco-Pictured Cliffs Pool, Unit D of Section 16, Township 23 North, Range 2 West, NMPM Rio Arriba County, New Mexico.

By authority granted me under the provisions of Order No. R-2404-A, special authority is hereby granted to produce up to 500 MCF of gas per month from the above well until Notice of Release of Curtailment Shut-In is issued by the Commission, as well as the release of six-times overproduced shut-in issued in a monthly proration schedule.

Until Notice of Release of Shut-In is issued by the Commission, if more than 500 MCF of gas is produced during any month, the special authority granted by this order shall be automatically revoked and the above well shut in until all overproduction is made up.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director

SANTA FE, NEW MEXICO

August 1, 1966

Mr. William J. Winters,  
123 North of New Mexico Blvd.,  
Albuquerque, New Mexico 87102

Dear Mr. Winters:

Reference is made to your letter of July 28, 1966.

Very truly yours,

Reference is made to your letter of July 28, 1966, in which you requested that the Commission issue a permit for the production of gas from the above well. The Commission has reviewed the matter and has determined that the production of gas from the above well is in accordance with the provisions of the Oil Conservation Act. The Commission has issued a permit for the production of gas from the above well, and the permit is attached hereto for your information.

By the Commission, I have signed the permit for the production of gas from the above well. The permit is valid for a period of one year, and it is subject to the provisions of the Oil Conservation Act. The Commission has also issued a permit for the production of gas from the above well, and the permit is attached hereto for your information.

Until Notice of Release of Shut-In is issued by the Commission, it will remain in effect. If you wish to have the permit for the production of gas from the above well, you must first obtain a permit from the Commission. The Commission has issued a permit for the production of gas from the above well, and the permit is attached hereto for your information.

Very truly yours,

W. J. Winters, Jr.,  
Secretary-Treasurer
