Dear Mr. Fellows:

In response to your letter dated November 2, 1988 regarding the well No. 1-14 Nancy located NW/4 NE/4 Section 14, T23N, R7W, Rio Arriba County, New Mexico, lease SF-078360, we assumed ownership effective July 1, 1988. We appreciate your consideration of that fact, because as you know, it takes time to understand and digest new situations.

We have conducted an evaluation of the well and determined it to be an attractive rework candidate. Our plans would be to clean out the hole, squeeze cement, reperforate, and restimulate the well.

We request an extension to July 1, 1989 by which time we will have forwarded you our detailed procedure and necessary permit applications.

Very truly yours,

  
Robert D. Johnson,  
President
