Dear Mrs. Frank:

The following is my understanding of an agreement I made today with Mr. Ray Frank regarding the subject well:

1. He will file two additional copies of the forms C-103 as those we received here January 14, 1977, tomorrow.
2. He will also file form C-105 in quintuplicate for the subject well.
3. He will advise me by telephone at least 24 hours in advance of any field operations of the time operations are to begin.
4. He will begin field operations late this week.

Mr. Frank was advised that any further delay will result in a demand being made to the bonding company to complete the plugging operation.

If there are further questions, please contact me.

Yours very truly,

A. R. Kendrick
