Re: Case 5769

Dear Mr. Kendrick:

According to Commission Order No. R-5307, Juanita Frank and the Aetna Casualty and Surety Company had until December 1, 1976, to plug and abandon the Greathouse Frank Well No. 2, located in Unit C, Section 10, Township 23 North, Range 1 West, Rio Arriba County, New Mexico, in accordance with a Commission-approved plugging program. You have informed me that you extended this deadline to January 15, 1977. Has this well been plugged? If not, I will make demand on the surety in an attempt to take care of this matter.

If I run into any problems, we can discuss taking the case to court. As you know, the Commission is authorized to collect a fine of \$1,000 for each day that Mrs. Frank and the surety violate this Order.

Very truly yours,

LYNN TESCHENDORF
General Counsel
