Dear Mr. Bigbee:

We appreciate receiving your letter of August 3, 1976, and the information pertaining to your Dunn No. 2 located in Section 10, T-23-N, R-7-W, Rio Arriba County, New Mexico. I have asked Mr. John King, Gas Contract Representative, to prepare a submittal setting out the terms and conditions under which we would be willing to purchase gas produced from this well.

Since the producing characteristics of this well are somewhat out of the ordinary it may take Mr. King a few more days more than usual to prepare the offer, but it should be forthcoming rather soon.

Yours truly,
