Dear Mr. Strojek:

On December 21, 1978, we inquired of your intentions to drill Well No. 106 Jicarilla Joint Venture "PC" in the NE <sup>3/4</sup> sec. 4, T. 23 N., R. 3 W., NMPM, Rio Arriba County, New Mexico. This well was in the Jicarilla Joint Venture Agreement area that Odessa Natural Corporation had with the Jicarilla Apache Tribe. Application for Permit to Drill was approved May 17, 1978.

Drilling had not commenced. Any construction on access road and well pad will have to be restored to the satisfaction of the Bureau of Indian Affairs.

Application for Permit to Drill is rescinded this date and is returned herewith. If at some later date you decide to drill this well, it will be necessary to file a new application.

Sincerely yours,

Carl A. Barrick  
Acting District Engineer
