Re: McBee Federal 7 #1 and McBee Federal 14 #1

Gentlemen:

We are returning the form C-102's for the above wells for your signature and indication of dedicated acreage. Also, we are returning form 9-331C for the first well for your signature.

Both of these wells will be indicated in the Basin-Dakota Gas Pool.

We are enclosing a memorandum which will help to clarify the well-numbering system in New Mexico.

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
