(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting and proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and pertinent to this work.)\*

Intend to reduce 2nd stage cement job from 1,000 sacks to 900 sacks. This change is based on our Dunn 4 and Dunn 5 long strings where 800 sacks was adequate. We intend to set the DV tool approximately 500' deeper than Dunn 4 and 5, hence the extra 100 sacks.

The above was verbally approved by Dean Elliott 7-13-81.

18. I hereby certify that the foregoing is true and correct

SIGNED Harry R. Bayle TITLE President
