Re: Martin Whittaker #57 C-5-23N-5W  
Martin Whittaker #58 E-9-23N-5W

Gentlemen:

The referenced wells have been commingled without prior approval. They cannot be produced until the commingling has been approved or the zones are separated downhole. Due to the volumes shown on the well tests, I recommend that you refer to Rule 303 and apply for administrative approval as soon as possible.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in dark ink, appearing to read "Frank T. Chavez".

Frank T. Chavez  
District Supervisor

FTC/dj
