13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Elm Ridge Resources, Inc. proposes to test the casing in this well before following through with the previous operator, Lomak Production, plan to P&A this well. We feel we might be able to place this well back on production. If so, we will withdraw the P&A order. If not we will P&A the well as originally planned. We anticipate work beginning on this well in early fall of 1998.
