Unorthodox Location Application

Gentlemen:

Please consider this letter the application of Robert L. Bayless for approval of an unorthodox well location for his Jicarilla 362 B #4 well to be located 1850' FSL & 1850' FWL of Section 7, Township 23 North, Range 4 West, N.M.P.M., Sandoval County, New Mexico. The southwest quarter will be dedicated to the well, which will be a Ballard Pictured Cliff well.

This administrative approval is requested due to the fact that this section is a non-standard size as shown on the attached survey plat.

I am the operator of all offset proration or spacing units.

If additional information is required please advise.

Yours truly,

  
Robert L. Bayless
