RE: Illegal Pits in Northwest New Mexico
Marcus #8, B-12-23N-07W (Production Tank pit)

Dear Rick:

Field inspections conducted on November 30, 1993 by Denny Foust revealed that the above mentioned pit has been netted as per requested in my letter dated August 20, 1993. However, no request for exception has been received in this office for this dry pit. Exception to the order may be requested for pits which do not generally contain hydrocarbons by filing Form C-134.

You are hereby directed to submit this exception by December 20, 1993. If you have any questions please feel free to call me at 505-334-6178.

Yours truly,
