13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

MW Petroleum submitted a P & A proposal and received approval on May 22, 1996. Due to an impending property sale, MWP postponed plugging the well until the matter of selling this well was cleared up. MWP retained ownership. Due to winter time weather, MWP will be plugging and abandoning this well by May 31, 1997. The MMS "Error Correction Representative" at 1-800-525-7922 will be notified when the 75 BO has been sold for procedures on discontinuing the monthly submission of the "monthly Report of Operations."
