Dear Mr. Gardner:

Thank you for your letter of April 1 with information on the F. F. Kelly State No. 1 location, NW/4 NW/4 Section 32, Twp. 18 North, Rge. 4 West, NMPM, in Sandoval County, New Mexico.

Inasmuch as all of Sandoval County is now assigned to the Commission's District 3, the location will be supervised through the Astec, N. M., office, where Mr. Emery Arnold is oil and gas inspector.

All your forms and any calls or communications regarding the well should be sent to that office, as Mr. Arnold must approve the forms before work is effected, as prescribed in our regulations. We will appreciate your advising your Cuba representative, in case he is mailing the forms from there.

Very truly yours,

W. B. Macey, Chief Engineer

Attention: Mr. Eugene A. Chavez,
Geologist District 4

Gentlemen:

In connection with subject well, located in NW/4 NE/4 Section 32, T-18-N, R-4-W, Sandoval County, New Mexico, we wish to advise that ground elevation of said well is 6990'.

It is our understanding that Mr. W. C. Kennedy, Jr. is the tool pusher on this well and that he plans to obtain living quarters at a Cuba Motel, if possible. Perhaps you can get more definite information on this at the time you visit the rig.

Please advise if you desire any further information in connection with subject well.

Thanking you for your co-operation in all respects, I am

Very truly yours,
