Dear Mr. Chavez:

We received two letters from you in May requesting information on locations of Noel Reynolds' wells. We apologize for taking so long to respond to you. It appears that resurveys were done on his wells, but it is not readily apparent in our files. Although no new plat or survey documentation was requested, BLM approved the changes in the locations.

We have enclosed copies of documents in our files that are the first indication of the changed footages. They correspond to what you show as the "Latest Report" on your request. Although we can't give you anything concrete, our latest footages agree with yours. If you need any more information, please contact Shirley Mondy at 761-8793.

Sincerely,

Albert Abee
Area Manager
