Dear Sir:

We have received from the U.S.G.S. two copies of the Notice of Intention to Drill on your #2-33 Federal well located in the NE<sup>1</sup>/<sub>4</sub> Section 33-18N-3W.

This notice of intention to drill should be accompanied by two copies of Form C-128, "Well Location and Acreage Dedication Plat" properly executed.

We are enclosing a supply of Form C-128. Please answer the questions regarding acreage dedication and ownership and sign the plat for the operator. Forty acres is the correct acreage dedication in this case. If we can be of any further service, please contact us.

Yours very truly
