Albuquerque, New Mexico

Att: Mr. Ed W. Cannedy

Gentlemen:

We have just received three copies of Notice of Intention to Drill on Entrada Corporation #1-33 Federal well, located in Section 33-16N-3W.

As this is a Federal well we would like to suggest that you send copies of Federal reports covering all subsequent operations on this well.

We are enclosing a supply of Form C-128, revised 5-1-57. Please complete this form insofar as dedicated acreage is concerned, outlining the 40 acres which you are dedicating to this well and answering all questions regarding communitization. The form should be signed by the Operator on the right hand side of the form. We will accept your original C-128 in regard to certification of the well location.

Yours very truly
