Dear Johney:

Our records reflect the subject well to have been temporarily abandoned in 1965.

No later reports have been received.

The enclosed copy of Rule 202 indicates that approval of temporary abandonment can be accomplished for a period of one year with a possible extension for one year when evidence is furnished showing that the well and casing are in good condition.

In the absence of this evidence we will have to demand that the well be plugged.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
