Mr. Emery C. Arnold
Supervisor, District #3
Oil Conservation Commission
Santa Fe, New Mexico

Dear Sir:

I am enclosing Forms C-104 and C-110, as requested in your letter of July 23, 1964. The form C-115 will be immediately forthcoming from this office.

We are very sorry this happened and believe us, when we say we thought we were making all the reports necessary on this well. Inland Crude had informed us to make the reports to the Accounting Commission and Mr. McGrata had informed us to make the reports to the Department of the Interior, Geological Survey. So will you please accept our apologies and we will be glad to comply in the future with any other necessary forms.

Very truly yours,

J. W. Holmes
