Jicarilla Contract No. 15

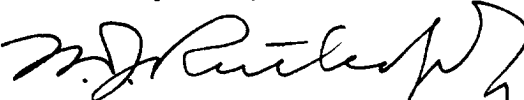

Gentlemen

In the above matter I enclose herewith your Form C-126 in quadruplicate showing recovery of 534.06 barrels of load oil recovered in order that we may clear your records with respect to taxes and clear this recovered oil with the USGS with respect to royalties payable under the lease.

It is my understanding that the recovered oil is in tankage on the lease, and we should like to be in position to move the oil at such time as the occasion is presented.

Copy of this executed form C-126 is concurrently herewith being forwarded to the USGS office at Roswell, New Mexico.

Yours very truly
