Reynolds Mining Corporation
Box 1328
Durango, Colorado

Gentlemen:

The Oil Conservation Commission is attempting to make a study of producing zones which have been discovered during the past year in the Mancos shale in order to set up producing pools.

We note that your Company has drilled the following well through these zones but has neglected to send copies of electric logs to the District Office. We respectfully request that you submit copies of all logs taken on this well as soon as possible.

Reynolds Mining Co. #1 Jicarilla A, Unit P, Section 29-23N-3W

Yours very truly

Emery C. Arnold
Supervisor, District #3
