Gentlemen:

Enclosed herewith is the original and five copies each of your forms C-110 and C-104 covering the captioned well. Please note that we have not filled in any test data inasmuch as we have been advised by our field superintendent, Mr. Don Burton, that he will be in your office Monday, December 14, 1964 to provide you with the pertinent information.

We are submitting these reports to you due to the fact that this well has to be tied into El Paso's system by December 14, 1964 to prevent this Tribal Lease from expiring.

Very truly yours,
