Gentlemen:

Your well, Jicarilla "R" No. 164 #3, located NW 28-23-2, is shut-in awaiting approval of New Mexico Oil Conservation Commission Form C-110.

The Oil Commission office in Aztec has advised us that the C-110 approval is being withheld pending receipt of Well Log and Deviation Survey Affidavit Forms.

Would you please advise us when the necessary forms have been filed with the Oil Commission and you are ready to commence production of the well.

Very truly yours,
