Attn: Mr. H. F. Gumz

Dear Mr. Gumz:

Some confusion has arisen concerning the proper identification of
of a well operated by your company, located in Unit letter D, Section 28,
Township 23N, Range 2 W. On the Notice of Intention to Drill and subsequent
reports the well was identified as the Jicarilla R 165 #3, however the last
form C-110 filed for this well shows it as the Jicarilla R 164 #3.

We are enclosing a supply of form C-104 which has now superseded the
form C-110 and request you file this form in quadruplicate indicating the
correct lease designation.

Thank you for your cooperation in this matter.

Yours very truly,

Emery C. Arnold
