Dear Mr. Johnson:

A recent "records check" revealed that we do not have forms C-104 and C-110 for your #1 Chapman well located in Section 20-23N-6W.

If this well has been completed, these forms should be filled in order that you can legally sell the products.

If these forms are not completed in the very near future, the well must be shut-in.

If we can be of further assistance, please contact us.

Yours very truly,

A. R. Kendrick  
Engineer, Dist. #3
