

Memo

3-14-68 From

A. R. KENDRICK
ENGINEER & DEPUTY
OIL & GAS INSPECTOR

To

Phil M^c Gath told
Johnny that location plats
would not be required for
this replacement hole. — or
so Johnny told me.

There have been about 10
wells drilled in the section
up to now — that we have file
folders on.

This intent needs an
API number.
