Dear Mr. Arnold:

In accordance with your request of March 19, 1969, I am enclosing herewith a copy of Forms #9-330 and #9-331.

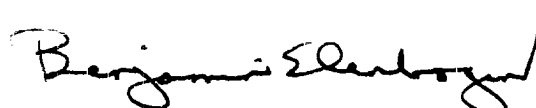

The original and several copies of these forms were forwarded this date to Mr. J. W. Long, District Engineer, U. S. Department of the Interior Geological Survey, Durango, Colorado.

It has not been possible to install the dry-hole marker on this well due to weather conditions.

As soon as weather permits, the dry-hole marker will be installed. You and Mr. Long will be notified so that an inspection can be made.

Your cooperation is appreciated.

Sincerely yours,

Benjamin Elenbogen
