Dear Mr. Elenbogen:

On September 3, 1969, I visited the site of your No. 1 Jicarilla 388 well located in the NE $\frac{1}{4}$  sec. 25, T. 22 N., R. 5 W., Sandoval County, New Mexico, on Jicarilla lease Contract No. 388.

The well was not in satisfactory condition for approval of the abandonment. I found that the pit had not been filled, location had not been leveled, rat-hole was open, and the surface plug and marker had not been installed.

You are requested to promptly have this location conditioned for approval of the abandonment and advise this office when the work has been completed.

Sincerely yours,

(Orig. Sgd.) J. W. LONG
