Dear Mr. Arnold:

This is in response to your letter of May 28, 1969 relative to the designation of the well to be located in the Southeast quarter of Section 35, Township 23 North, Range 3 West, Sandoval County, New Mexico.

The well is being drilled on The Superior Oil Company's J 55 Lease. It is directly offsetting their No. 2 well on that lease.

The well will be the J 55 No. 3. I have, however, used the designation 3 B so that this well would not be confused with the Jicarilla A 55 No. 3.

If it is possible for you to number the well as 3 B, I should appreciate it, being so designated for my own information.

The well will be drilled by Signal Drilling Company as the contractor, and they will be moving in to spud the well on June 6, 1969.

Sincerely yours,

*Benjamin Elenbogen*
