Re: Final Abandonment
Cuba #1, E-23-21N-1W
Sandoval County

Dear Sir:

Mr. Charles Gholson of this office made a field inspection of the above location on 7-16-75. I am enclosing a copy of his inspection ticket.

Your subsequent notice of plugging was filed 3-7-74 and stated that the well was plugged and a marker installed. Please set a well marker and cut dead man wires immediately so that we may finalize our abandonment of this well. We will defer action setting the matter for hearing until August 11 in order to give you time to respond.

Thank you.

Yours very truly,

Emery C. Arnold
