Re: Franklin, Aston & Fair, Inc.

Dear Mr. Carr:

Please docket a case to allow Franklin, Aston & Fair, Inc. and all other interested parties to appear and show why they should not complete the proper abandonment of their Cuba #1 well located E-23-21N-1W, Sandoval County.

We have made three trips to the location after we were advised the well was plugged.

We have advised the operators of their failure to comply with the Rules and Regulations.

More than ample time has lapsed.

If there are questions contact us.

Yours very truly,

A. R. Kendrick
