

Memo

5-12-78
From

A. R. KENDRICK
Supervisor

To Lynn:

Nell Reynolds has not done any work on the location of his Torreon Water Well #1, J-21-18N-3W, since our first hearing on the well.

The attached photos show the same as before.

From

LYNN
TESCHENDORF

To Al

Marvin Baggett on behalf
of Noel Reynolds still denies
that Reynolds has not
done anything. He has
denied Paragraphs 3, 4, 5 & 6
of my Request for Admissions.
Has someone checked the
well recently (T-21-18-3W)?
If not, could someone
do it & see if anything
has changed?
