Dear Mr. Ellis:

We have the forms C-104 for name change at the Las Milpas Storage Area.

We need the following:

Well #7: We need the correct location. The intent to drill shows a different location to the completion report.

Well #14: We need completions report, 9-330.

Well #16: We need all reports except the intention to drill.

If there are questions please contact us.

Yours very truly,

A. R. Kendrick

Mr. Kendrick,
Attached please find that which you are
requesting regarding well nos. 7 & 14. There are
no reports for #16, since that location was
abandoned after #15 was drilled and we found
we had to move north (#17) instead of south.
Best Regards,
