Mr. Robert L. Dayless
P. O. Box 1541
Farmington, New Mexico 87499

Gentlemen:

Enclosed are your Applications for Permit to Drill (APDs) well No. 2 Jicarilla 393E, SW1/4 sec. 21, T. 23 N., R. 4 W., Sandoval County, New Mexico, lease Jicarilla Contract 393. No. 2 Jicarilla 392, NE1/4 sec. 33, T. 23 N., R. 4 W., Sandoval County, New Mexico, Jicarilla Contract 392. As discussed with Kevin McCord of your company on May 21, 1984, the subject APDs are rescinded and returned due to drilling not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

Lee V. Larson
Area Manager
