

7. Method of Handling Waste Disposal

Waste will be buried in the reserve pit on completion of the well. The reserve pit will be backfilled. Toilet facilities will be provided.

8. Location of Camp

No camp will be used

9. Location of Airstrip

None-Airstrip at Torreon, New Mexico will be used only in emergency.

10. Diagram of Well Location

See attached diagram

11. Plans for Restoration of Surface

The surface will be restored as directed by the Bureau of Indian Affairs.

12. Impact on the Environment

Impact on the environment will be minimal. The access road and well location is sparsely vegetated and minimum trees and sage will be disturbed.
