*4-27-200-410*

Dear Jack:

The revised location of the subject well will require the location to be surveyed and revised froms C-102 will be required; because,

1. You are moving to another quarter - quarter section, and
2. You are changing drill tracts.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick  
Supervisor, District #3
