

13 step guideline with
application to drill

1. Use existing pipeline road from Tornon Mission to San Luis.
2. No new access roads needed. See maps.
3. All existing wells are shown on maps.
4. Tanks #1 and #2 are marked on maps.
5. Water well located at 1w on maps.
6. No construction material needed. Only sand and cement to set casing.
7. Garbage and waste to be hauled from drilling site.
Use existing pits at well site.
8. Small camp trailer to be used at lease.
9. Map shows existing well #10 where new well #18 will be drilled
ten (10) feet to the north. No other location necessary.
10. After operations, pit to be filled and leveled with the surrounding
area. No extra work needed for location.
11. Federal Land, sandy soil, nothing in the area to be disturbed
to build a pad at this location.
12. Arthur K. Gaddy, 925 Gabaldon, N.M. Albuquerque, New Mexico 87104
Home phone-243-6956 Mobile unit 842-5555 unit # 3135.
13. I hereby certify that I, on persons under my direct supervision,
have inspected the proposed drillsite and access route; that I am
familiar with the conditions which presently exist; that the state-
ments made in this plan are, to the best of my knowledge, true and
correct; and, that the work associated with the operations proposed
herein will be performed by Arthur K. Gaddy
and its contractors and sub-contractors in conformity with this
plan and the terms and conditions under which it is approved.
