Re: Booth Drought #2
A-1-15N-4W
Sandoval County

Dear Mr. Scott:

Enclosed are forms C-103 and C-105.

Since the subject well is drilled on a fee lease it will be necessary to file the Intention to Plug, the Subsequent Report of Abandonment and the Completion Report on the state forms.

I understand the U.S.G.S. is requiring duplicate filings on their forms because of a future transfer of minerals ownership.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
