17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting and proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and points sent to this work.)

May 9, 1988

Suspect well has casing failure. Discussed problem with well with Kenny Howell of the BLM. Informed him we intended to repair well by locating hole in casing and squeezing. Kenny Howell gave verbal permission to proceed by using bridge plug and packer to locate casing failure and repair by cementing.
