Dear Mr. Roe:

The Bradenhead test report on the above well indicates no Bradenhead valve was located. Review Rule 115.B. "Valves shall be installed and maintained in good working order to permit pressures to be obtained on both casing and tubing..." you are hereby directed to bring this well into compliance before August 15, 2001

Notify the Aztec OCD 24 hours before work is initiated.

If you have any questions, please call me at 505-334-6178, ext. 16.

Sincerely,

Charlie T Perrin
