Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any
proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones perti-
nent to this work.)*

Benson Mineral Group would like to request the cancellation of a salt water disposal application submitted June 20, 1980. We intend to plug and abandon the well by pumping 70 sx Class B cmt to fill the casing from TD (1097) to surface. A P x A marker will be erected per the USGS requirements and the location will be cleaned, leveled and reseeded to conform with the surrounding terrain.

18. I hereby certify that the foregoing is true and correct
