Re: Dome Federal 18-22-6 #1, 0-18-22N-6W

Gentlemen:

Our records show that we received the APD for the above well in October of 1978 without the approval of the U.S.G.S. This application was apparently returned unapproved, but the well was later permitted and drilled as the Dome Navajo 18-22-16 #2. We therefore will consider the referenced well to an abandoned location for the purpose of clarifying our records.

If you have any questions, please contact this office.

Yours truly,
