(NOTE: Report results of multiple completion or zone change on Form 9-330.)

NOTICE OF INTENT TO PLUG AND ABANDON

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We intend to plug this well from TD to surface with approximately 40 sacks of regular cement, in accordance with verbal instructions from the District Oil & Gas Supervisor, Mr. Sims.

Note: The total amount of cement actually used was 46 sacks.
