FROM: Gary Williams Oil Producer
DATE: October 15, 1985

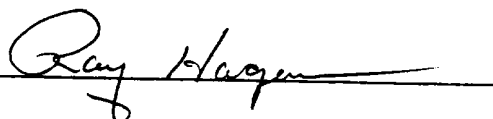

Operator Gary Williams Oil Producer
Lease Name San Isidro 13-11
in Sec. 13 Twp. 20N Rge. 3W
NE SW
of Sandoval County
State of New Mexico

For your information 1288.21 barrels of oil were placed in Well No. 13-11
San Isidro on the captioned lease in the process of completion or
remedial work. This oil has been purchased from Cuba Oil & Gary Energy
and used only for development and/or operating purposes. This is NOT production
from captioned lease and is NOT subjected to royalty and taxes.

A frac oil schedule is attached indicating the number of frac oil barrels purchased,
from where and when. This schedule also indicates the date and number of frac oil
barrels sold from this well.

As of September 26, 1985 the recovery of this frac oil has been completed.
This well is now producing formation oil. At this time it is requested the Land
Department initiate the necessary procedures for a Division Order Title Opinion and
the Division Order. All revenue will be suspended until such time Gary Refining
Company is in receipt of an executed Division Order.
