Dear Mr. Cole:

We have your signed contract and the purpose of this letter is to confirm to you that you have priority on Young Drilling Rig #2 as soon as we have complete our El Paso contract; approximately December 5, 1984. We regret that we were unable to get to your well sooner. We should be able to rig up on your well December 6, 1984. We understand you will have started the well by setting conductor before we move on your location.

Sincerely
