Re: Disposal of Water From the Chijully 34, #14 Well  
Located: SE SW Section 34-T21N-R2W, Sandoval  
County, New Mexico

Gentlemen:

Please find attached for your reference the water analysis form the Chijulla 34, #14 well location shown above. The water produced from this well is being disposed of into the Media Salt Water Disposal System operated by Kirby Exploration Company of Texas as shown by the attached correspondence from Kirby. The Santa Fe Oil Conservation Division office has approved Gary-Williams' request for Authorization to Move Produced Water as per the attached approved form C-133.

If you have any questions or need further information, please call (303)-799-3800.

Sincerely,

GARY-WILLIAMS OIL PRODUCER
