Dear Mr. Busch:

Per your telephone request regarding the Application for Authorization to Inject on the subject well, I am enclosing the schematics of the two plugged wells, that were omitted in the original application.

Also enclosed is a copy of the Bureau of Land Management Sundry Notice on the Boling Federal No. 5. This copy is for your information only, as I understand it will be necessary for the Bureau of Land Management to forward an approved copy to you.

I trust this will clear all discrepancies and omissions. Thank you for all of your assistance.

Sincerely,

Judi Nelson
