Re: June, 2002 C115 Report

Dear Ms. Montoya,

Mrs. Carolyn Shogrin, who is managing Shogoil Ltd after the death of her husband, Frank Shogrin, sent me your letter, because she couldn't understand why a production report would be needed for a well that was plugged four (4) years ago. We checked our files and found the enclosed letter informing the OCD in Santa Fe in 1999 that the well was plugged and the lease terminated years ago. Therefore, your list does contain incorrect information, and no report is due.

Gentlemen:

Reference is made to your undated letter received August 23, 1999, concerning Operator's Monthly Report (Form C-115) for the months of January through May 1999.

The only well operated by Shogoil Ltd. in New Mexico was the Chijuilla #31-14 in Sandoval County, which was plugged and abandoned in October 1998. The Federal lease upon which it was located has been terminated by the Bureau of Land Management, and for that reason there were no reports due for the above-period.

If you have any questions, please contact the undersigned, or our contract operator, Mr. John Sommers.

Thank you.

Very truly yours,

F. L. Shogrin
